EDUCATION

Bachelor of Science in Computer Science with Specialization in Software Engineering (BSCSSE)

Far Eastern University Alabang

2019 - 2024

CERTIFICATIONS

- Microsoft Technology Associate: Introduction to Programming using Java, 2021
- Information Technology Specialist: Python, 2021
- Cisco CCNAv7: Introduction to Networks, 2022

SKILLS

- Front End Development: (HTML, CSS, JavaScript, PHP)
- Back End Development: (React.js)
- Database Management: (PostgreSQL)
- Programming Languages: (C++, Python, Java)

AFFILIATION

- *Member*, FEU Alabang ACM Student Chapter | 2019-2024

PROFILE

A dedicated Computer Science graduate with a strong foundation in software engineering and a passion for designing and developing innovative software solutions. Proficient in multiple programming languages, with hands-on experience in web development. Eager to apply my technical skills to real-world projects, collaborate with a dynamic team, and contribute to solving complex problems through a deep understanding of data structures and algorithms. I am seeking an opportunity to grow professionally and make a meaningful impact in the field of software development.

WORK EXPERIENCE

WEB DEVELOPER INTERN (FRONT-END)   **April 2023 - Nov 2023**

Tagpros Children Inc.

- Learn and practice web development by creating To-do list web application with HTML, JavaScript, and CSS.
- Implement the mock designs made by the design and testing team to a website with ReactJS and CSS.
- Collaborated with other web developer intern to develop Tagpros' US landing page and proprietary website.

ACCOMPLISHED PROJECTS

- **License Plate Number Recognition System** : A system that uses AI to detect and read the contents of a licensed plate. | UI Designer, Programmer
- **MOBVAC :** A vaccine patient information website developed using PHP and SQL. | Programmer
- **Cookbook :** A programming language with lexical, syntax, and semantic analyzer made using Java. | Programmer
- **Movie Rental System** : A system project written in C++ that used structures to track movies and rentals. | Programmer, Tester
